

Instructies SQLBrander.nl logo van Lego

Geachte relatie,

Wij danken u voor het in ons gestelde vertrouwen en de prettige samenwerking van het afgelopen jaar. Graag bouwen wij daarop verder in het nieuwe jaar.

Als blijkt van onze waardering vindt u een relatiegeschenk waarbij bouwen noodzakelijk is. Voor de één misschien nog actueel en voor de ander misschien wat langer geleden.

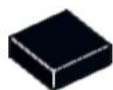

Wij wensen u veel plezier bij de bouw en zien graag een foto van het resultaat op LinkedIn tegemoet.

Daarnaast wensen wij u een fijne jaarwisseling.

Team SQLBrander.nl

N.B. Wanneer u onverhoopt een onderdeel mist tijdens het bouwproces laat het ons dan a.u.b. weten met een e-mail naar: lego@sqlbrander.nl.
